Formalities

• What do we expect?
  • Regular attendance is mandatory: at most 1 time missing without medical certificate
    • This will be controlled
    • Being late > 20 minutes will be counted as „missed class“
  • **Self-responsible** research on given topic
  • Talk (~20 minutes + 20 minutes discussion)
    • Theory: THE METHOD
    • Illustrative example application from the life sciences (biology or medicine)
  • Talk + discussion will be graded („mündliche Prüfungsleistung“)

• Distribution of topics and dates
